On 02/27/2022 I was housed in division 91G Cell 1088 at approximately 12:45pm. The cell I was in did not have properly running water. I notified C.O's about the water situation, I did not have any drinking water until the next day, when the plumber came to fix another cell plumbing problem I convinced him to fix mine. Within the same hour the plumber left the water was back not working. The plumber came again on 03/01/2022 and tried to fix it again but it did not work. I notified Sgt. Phillips about my water not being able to work she stated "I'll put another work order in." I ask every C.O that worked the tier can I come out to get water out of the fountain they stated to me "You only come out of your cell ~~to~~ for day room time." I only come out my cell once a day for a hour, I only drink water once a day. On

03/04/2022 I had court via zoom I talked to Sgt. Sorane about my living condition and asked can I be move to a cell with running water he stated to me "Since your toilet works you can not be moves." So I had to suffer for days without running water in my cell. On 03/04/2022 ~~two~~ C.O Guzman and C.O Roman around 9:32 pm let me and my cell mate out to fill up plastic bags from our lunch/breakfast tray with water to drink while we're in the cell. The next morning when the breakfast trays were being passed out the same two C.O's filled up plastic with water and brought it back to our cells to drink. On 03/10/2022 C.O Roman and Guzman let me out to fill up plastic with water around 9:45pm. Let it be noted that these are the only C.O's that let me do this just to drink water. Other C.O's told me "This what happens to people who come to the hole." Most of the C.O's ignored my cries for water which caused me to be down, hopeless, dehydrated, helpless, and emotionally distraught. Everyday I had to live through these inhumane living condition while I serve my time in Seg. I will like something done about my pain and suffering and to stop this from happening to others.
